Question	Feedback to Bidder/ BPC Response
1. BPC to share quantities moved last year	In a month BPC move between 50 and 55 items per month, which can be estimated to be 720 items moved last financial year.
2. Page 50, Item # 3 (VAT) kindly clarify if prices must exclude VAT as point A and B are contradicting	<p><b>Point A</b> and B are not contradictory. Point A says you do not have to apply VAT on each item but only on the Grand Total.</p> <p><b>Point B</b> says those registered for VAT must include it in the Grand Total; by not doing so it will be non-compliance and will not be considered for award.</p>
3. Page 27 and 36 of 56, clarity on if sections apply to couriers' companies	Pages 27, 36 and 56 can be ignored because the information does not apply to this tender and Courier Companies.

Yours Faithfully
